Interment in the family burying-ground at Tuckahoe.

MISS BETTIE PROCTOR.

Death of This Lovely Young Lady Early Yesterday Morning.

Though not wholly unexpected, the announcement of the death of Miss Bettie Proctor was a shock to all who knew her.

The sad event occurred at the home of her parents, Mr. and Mrs. Thomas K. Proctor, 801 Wood street, at 4 o'clock yesterday morning.

She was born in Mason county 23 years ago, and had been in failing health for the past eighteen months, though confined to bed only one week.

Miss Proctor was one of our city's most beautiful daughters—lovely in face and form, and lovelier still in disposition and manner.

The funeral will take place from the residence at 3 o'clock this afternoon, with services by the Rev. Howard T. Cree of the Christian Church, followed by interment in the Maysville Cemetery.

Mr. and Mrs. John Duley were yesterday elected Delegates from the M. E. Church, South, to the State Sunday-school Convention at Danville, beginning August 20th.

STABBED HIMSELF.

Edward McMillan Tries Suicide By the Knife Route Saturday.

Ed McMillan is employed at the Maysville Cotton Mills, and resides with his wife and child at Front and Short streets.

About 8 o'clock Saturday evening the family was seated at the supper table when, without warning, Mr. McMillan whipped out a penknife and stabbed himself in the right breast just below the nipple.

Of course the report spread like wildfire and as it spread it grew; and if it had kept on a few squares farther, every man, woman and child on Short street would have been killed.

THE HORSE—IT DIED.

Dr. and Mrs. J. H. Samuel Have an Unpleasant Experience.

Saturday Dr. J. H. Samuel, accompanied by Mrs. Samuel, drove to Flemingsburg behind "Dick," a favorite ivory horse belonging to Mr. John T. Parker.

The horse was placed in Cassidy & Lee's Stables during their stay in the burg, and at 9 o'clock when they started on the return there was apparently nothing wrong with the animal.

As they proceeded, however, there were signs of sickness, and when they got within about three miles of the city the horse gave out completely and fell.

He was gotten to his feet soon after, and was led into a field where he fell again, dying a few minutes later.

Nothing was left the doctor and his wife but to walk home, which they did, reaching here after midnight.

The doctor aroused a stable boy and returned for the buggy and harness, when they found the horse, as the doctor puts it, had "swelled up as big as a hoghead."

It was 3 o'clock in the morning when they got back.

The horse was, on account of his gentleness, a great favorite with the lady patrons of Mr. Parker.

Our Midsummer Clearance Sale will begin next Wednesday, August 7th. All of our former clearance sales will pale into insignificance compared to this. Between now and Tuesday we will go through our entire stock of Spring and Summer Clothing, and every suit and garment will be marked down

Not a single garment will escape the knife. It is needless for us to tell you about qualities. The best is the Only Kind We Sell. Our people don't want cheap stuff; they have been tempted again and again—and doubtless will be again—with clothing that looks awfully cheap in newspaper advertisements, but when weighed it invariably was found wanting.

Our Clearance Sale will continue until we have sold down the stock low enough to give us room for our New Fall Goods, which will soon begin to come in.

All goods sold at the advertised reduced price MUST be paid for when taken away or ordered sent home. Please do not embarrass us by asking credit during this sale.

OUR FIRST SEASON IN MAYSVILLE is now drawing to a close. It has been a most successful one, far beyond our greatest expectations. To all our customers we extend our sincere thanks for their loyal support, and we feel today that we have made a host of friends for so short a time and we shall ever try to merit your good will.

We now shall turn our attention to the coming Fall and Winter season. Besides an enormous line of medium grade goods, we shall carry a line of high-grade novelties such as has never been shown in Maysville before, and to that effect we have already made arrangements with some of the largest manufacturers and importers on the American Continent to handle their line exclusively.

Our Mr. Merz leaves for New York this week. Should you have any special orders to be attended to kindly see him this week.

Very respectfully,

The Episcopal Cathedral of St. John the Divine is now being erected in New York City, and it is a much larger structure than St. Patrick's Cathedral. The latter, however, is the largest completed Church edifice in New York City. St. Patrick's is 326 feet in length, while St. John's is 500 feet. The breadth of St. Patrick's is 90 feet, as compared with 296 of the Episcopal structure. St. Patrick's cost \$2,500,000. Already \$2,000,000 has been spent on St. John's, and it will cost at completion fully \$15,000,000. It will probably require fifteen or twenty years to complete it. History shows that the work of building great Cathedrals is necessarily slow. It took more than a hundred and seventy-five years to complete St. Peter's Church in Rome; and the Cathedral at Milan, begun March 15, 1387, is not yet finished.

Let everybody turn out tomorrow afternoon to witness and encourage the game of ball at the Sixth Ward Ball Park between the local Y. M. C. A. team and the crack team from West Union. This is recognized as one of the best amateur clubs of that section of the state.
It is composed of some of the very best material, and their pitcher, who possesses a remarkable record, promises to be a special feature of the game.
Of course, all differences which may arise will be settled by Colonel Billie Lynch, the official Umpire, whose ability and judgment in that line need no further comment.
The line-up will appear in tomorrow's issue, and a small admission fee of 15c will be charged to help defray the necessary expenses.
Game called at 3 o'clock.

Funeral of Mrs. C. A. McLaughlin at Covington Yesterday.

THE LEDGER on Friday made brief mention of the death that morning of Mrs. C. A. McLaughlin at Big Bone Springs.

TEETHING BABIES NEED LAXAKLA
The Great Tonic Laxative
WATCH the children carefully. Their health, perhaps their lives, depend on keeping their bowels regular. Many parents make a mistake by giving their little children the old-fashioned, violent purgatives which are racking and griping, and are therefore not only unpleasant, but dangerous.
Laxakla does not grip nor irritate. It is a pure, gentle and painless liquid laxative. It is a truly a sure laxative, but it contains valuable tonic properties which not only act upon the bowels, but tone up the entire system and purify the blood. A few drops can be given with safety to very young babies, and will often relieve colic by expelling the wind and gas that cause it. Great relief is experienced when administered to young children suffering from diarrhea, accompanied with white or green evacuations, as LAXAKLA neutralizes the acidity of the bowels and carries out the cause of the evacuation. It will aid digestion, relieve restlessness, assist nature, and induce sleep. For constipation, simple fever, coated tongue, or any infantile troubles arising from a disordered condition of the stomach it is invaluable. At druggists, 50c and 10c, or send for free sample to LAXAKLA CO., 122 Nassau Street, New York, or 306 Dearborn Street, Chicago.

TO BE DEPENDED ON.
Because It Is the Experience of a Mayville Citizen and Can Readily Be Investigated.
A stranger lost in a large city would place far more dependence on the directions given him by a local resident than the guidance of another stranger like himself. This is natural consequence of experience; it is like a ship in a strange port—a trusty pilot familiar with the harbor is called upon to bring her safely to her moorings. So it is with indorsement; we doubt the sayings of people living at distant points because we can't investigate, but public expression of local citizens can be depended on, for 'tis an easy matter to prove it. Evidence like the following is beyond dispute.
Mrs. R. R. Honsh of 394 Forest avenue says:
"Doan's Kidney Pills quickly relieved Mr. Honsh of backache, which has been a source of discomfort to him for some time. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and its proven value is so great that it should be known throughout the world."
